EXECUTION VERSION

GRANT OF FIRST LIEN
SECURITY INTEREST IN PATENT RIGHTS

This GRANT OF FIRST LIEN SECURITY INTEREST IN PATENT RIGHTS (this “Agreement”), dated as of August 15, 2022, is made by Barracuda Networks, Inc., a Delaware corporation (the “Grantor”), in favor of UBS AG, Stamford Branch, as collateral agent (in such capacity, the “Collateral Agent”) for the benefit of the Secured Parties in connection with that certain First Lien Credit Agreement, dated as of August 15, 2022, among Atlantic Guarantor Inc., a Delaware corporation (“Holdings”), initially, Atlantic Merger Sub LLC, a Delaware limited liability company (“Merger Sub” and, prior to the consummation of the Acquisition, the “Borrower”), which, upon consummation of the Acquisition on the Closing Date, will be merged with and into, Barracuda Parent, LLC, a Delaware limited liability company (following the consummation of the Acquisition, the “Borrower”), the several lenders from time to time party thereto (each, a “Lender” and, collectively, the “Lenders”), the Letter of Credit Issuers from time to time party thereto and UBS AG, Stamford Branch, as the Administrative Agent, the Swingline Lender, a Letter of Credit Issuer, and the Collateral Agent for the benefit of the Secured Parties (as amended, restated, supplemented or otherwise modified from time to time, the “Credit Agreement”)

WHEREAS, pursuant to the Credit Agreement, the Lenders have severally agreed to make loans to the Borrower and the Letter of Credit Issuers have agreed to issue Letters of Credit, all upon the terms and subject to the conditions set forth therein;

WHEREAS, in connection with the Credit Agreement, the Grantor and any Subsidiaries that become a party thereto have executed and delivered the First Lien Security Agreement, dated as of August 15, 2022, in favor of the Collateral Agent (as amended, restated, supplemented or otherwise modified from time to time, the “Security Agreement”); and

WHEREAS, pursuant to the Security Agreement, the Grantor has granted to the Collateral Agent, for the benefit of the Secured Parties, a lien on and security interest in, all of its right, title and interest in, to and under certain Intellectual Property that is not Excluded Property.

NOW THEREFORE, in consideration of the premises and to induce the Administrative Agent, the Collateral Agent, the Lenders and the Letter of Credit Issuers to enter into the Credit Agreement, to induce the Lenders and the Letter of Credit Issuers to make their respective extensions of credit under the Credit Agreement and to induce one or more Cash Management Banks or Hedge Banks to enter into Secured Cash Management Agreements or Secured Hedge Agreements with the Borrower and/or its Restricted Subsidiaries, the Grantor hereby agrees with the Collateral Agent, for the benefit of the Secured Parties, as follows:

1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Credit Agreement or the Security Agreement.

2. Grant of Security Interest. The Grantor hereby grants a Security Interest in all of the Grantor’s right, title and interest in, to and under the Patents that are not Excluded Property (including, without limitation, in, to and under those items listed on Schedule A hereto), including the right to receive all Proceeds therefrom (collectively, the “Collateral”), to the Collateral Agent for the benefit of the Secured Parties as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) in full of the Obligations.

3. Purpose. This Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Collateral Agent for the benefit of the Secured

Parties in connection with the Security Agreement and is expressly subject to the terms and conditions thereof. The Security Agreement (and all rights and remedies of the Secured Parties thereunder) shall remain in full force and effect in accordance with its terms. The Grantor hereby authorizes and requests that the Commissioner for Patents of the United States Patent and Trademark Office and any other applicable government officer record this Agreement. The Grantor shall, at its sole expense, take all further actions necessary or desirable by the Collateral Agent to record and perfect its security interest in and to the Collateral.

4. Acknowledgment. The Grantor hereby further acknowledges and affirms that the rights and remedies of the Secured Parties with respect to the Security Interest in the Collateral as it relates to Patents granted hereby are more fully set forth in the Credit Agreement and the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern. In the event of any conflict between the terms of this Agreement and the terms of the Credit Agreement, the terms of the Credit Agreement shall govern.

5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original. This Agreement may be delivered by facsimile or other electronic transmission of the relevant signature pages hereof. The words “execution,” “execute,” “signed,” “signature,” and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

6. Governing Law: THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

[Signature Pages Follow]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers duly authorized as of the day and year first above written.
